SIR,

I have the honor to forward herewith copy of letter No.F.2742/31 dated 15-1-32 from the Deputy Commissioner, Mysore District, soliciting instructions whether the amount required for resurvey operations in Purigal and Kaglipura villages endowed to the Sri Ranganathaswami temple at Sivasamudram now under Government management may be met from the collections of the villages and the balance of collections, after reserving the amount required for establishment etc., may be transferred to the funds of the institution in the Treasury.

2. The resurvey operations are estimated to cost R. 2500/- as per calculations made by the Survey Department. As the extension of the provisions of Chapter VIII to IX of the Mysore Land Revenue Code to the Inam villages has already been authorised by Government, I beg to recommend that the sum of Rs 2500/- required for resurvey and settlement operations may be ordered to be placed at the disposal of the Survey Superintendent, the charge being met from the funds of the institution.

3. As regards the transfer of funds to the credit of the institution since except a small portion the collections are not likely to be required for expenditure until the scheme for the future management of the temple is finally settled, a good portion of the balance may advantageously be deposited in Government Savings Bank (Fixed Deposits) in the name of the Deputy Commissioner in his capacity as District Muzrai Officer. I request that the proposal may be approved.

If the investment is approved, the exact amount that could be
be ascertained and reported.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.
